### **Wilmington High School • Wilmington, MA • 2016 - 2020**

GPA: 4.26/4.3, Rank: 2/218

## Relevant Experience

---

### **Advisor360° • Weston, MA • June 2023 - August 2023**

*UX Research/Design Intern*

- Conduct a competitor analysis of bell notifications and create a series of recommendations/redesigns in Miro and Figma
- Write and coordinate surveys and interviews in Usertesting.com and UserLytics

### **REGENT Craft • Burlington, MA • June 2022 - August 2022**

*Human Factors Engineering Intern*

- Aid in the development and approval of passenger carrying, all-electric seaglidors, which are wing-in-ground effect flying boats
- Work alongside the Director of Certification, test pilots, and designers on user testing and cockpit prototyping
- Develop a vehicle control system layout in PowerPoint/IData including display of speed, wave height, and configurable pages

### **Tufts Spatial Cognition Lab • Medford, MA • August 2021 - May 2022**

*Research Assistant*

- Assist in current metacognition studies (coordinate participants on Sona Systems, clean data using Excel, analyze research)
- Meet weekly with other lab members to present user research progress, data analysis, and relevant publications

## Other Experience

---

### **EMN Photography • Boston, MA • August 2019 - Present**

*Freelance Photographer*

- Plan ideal times and locations to shoot senior portraits, sporting events, performances, and family portraits
- Edit photographs using Adobe Photoshop to meet customer satisfaction

### **Tufts Dining Communication and Marketing Team • Medford, MA • November 2021 - Present**

*Photography & Design Intern*

- Photograph and edit photos of dining/catering events for Tufts Dining social media pages
- Design advertisements and graphics in accordance with Tufts University brand guidelines

### **Ginn Library • Medford, MA • May 2021 - Present**

*Circulation Worker*

- Complete administrative tasks and assist patrons in finding resources and completing transactions
- Sort, relabel, and reshelve books according to established Library of Congress system

## Leadership & Campus/Community Involvement

---

### **FOCUS Pre-Orientation Program**

*Leader*

- Selected as staff to lead a pre-orientation community service program for incoming Tufts students
- Welcome and volunteer with incoming students. Support their college transition and serve as a resource throughout the year

### **Tufts Human Factors & Ergonomics Society**

- Meet to discuss HFE opportunities at Tufts. Host events related to research, internships, user interface/experience, and design

### **Tufts Food Rescue Collaborative**

*Coordinator*

- Sort, package, seal, and weigh leftover food once a week at campus dining centers to prepare for donation
- Coordinate with Food For Free organization to meet standards and deliver meals

## Skills & Interests
